Melyna Profile

Melyna Seeds Private Limited has founded by two brothers who are high enthusiastic, quality conscious, qualified individuals, with an intention to Research, Produce, market High Quality hybrid vegetable seeds, this would cater to domestic and international farmer community. The company is set with strong policies, processes in all verticals like **Research, Production and Marketing.** Melyna is committed to bring best quality seeds to farmers only after performing the **Grow Out Test (GOT)** in multiple locations. The process ensures every seed LOT goes through the GOT and a checklist in the entire end-to-end execution. Melyna has set a goal to achieve **"Zero tolerance to quality"**. Melyna welcomes and extends hands to work with all Authorised Dealers , Channel-Partners, competitors, all sections of stakeholders, follows go along with everyone policy.

Our Vision

To deliver **Higher quality & yielding seeds** and make Melyna Seeds as a preferable choice to farmers.

Our Promise to Farmers

Provide best quality, **authentic & high yielding seeds** to our farmers that complement their well being.

Our Mission

To provide the best services including innovative quality hybrid vegetable seeds. To maintain **ethics, integrity and commitment** during the execution of these comprehensive processes. To create and retain strong bonding with **all stakeholders and adapt win-win strategy.**

R & D Recognition

Melyna is proud of its **Research and Development Centre has been recognized** in the year 2018 by Indian Institute of Horticulture, Bangalore.
