Melyna Profile

Melyna Seeds Private Limited was founded by two passionate and quality-conscious brothers with a vision to **Research, Produce, and Market high-quality hybrid seeds** for farmers in domestic and international markets. With strong systems across **Research, Production, Quality, Sales, and Marketing**, every seed lot undergoes rigorous **Grow-Out Testing (GOT)** at multiple locations. Our commitment is simple: **“Zero Tolerance to Quality Compromise.”** We believe in building lasting relationships with farmers, distributors, channel partners, and stakeholders through trust, quality, and mutual growth. **Melyna Seeds – “Go Along With Everyone.”**

Our Mission

To provide farmers with **innovative, high-quality hybrid seeds and exceptional services**, while upholding the highest standards of **ethics, integrity, and commitment** in all our operations. Melyna Seeds is committed to building and nurturing strong, **long-term relationships with farmers, distributors, employees, and all stakeholders** through collaboration, trust, and a sustainable **win-win approach**.

Top Definition of “Melyna” (as per Urban Dictionary)

A loyal and dependable firm that stands by you through thick and thin. Honest, trustworthy, and committed, they consistently deliver on their promises. A truly great firm you can rely on—and one that always strives to keep you happy and satisfied.

R & D Recognition

Melyna is proud to have its **Research and Development Centre** recognized by **DSIR – Department of Scientific and Industrial Research, New Delhi** and **IIHR – Indian Institute of Horticultural Research, Bengaluru, Karnataka**.

Future Goals

Melyna Seeds is committed to extensive research across various crops to develop improved traits that benefit farmers. Through continuous innovation, the company focuses on enhancing crop quality, resilience, productivity, and profitability.

Melyna Seeds offers high-quality hybrid seeds with excellent genetic purity and superior germination. Our strong focus on quality ensures healthier crops, better yields, and more productive farming for growers.

Melyna Seeds aims to expand its presence across India and become a preferred choice among farmers within the next five years. Building on proven results and a growing reputation, the company is committed to establishing a strong PAN-India presence and developing long-term, mutually beneficial relationships with distributors, farmers, employees, and all stakeholders.

Our Vision

To deliver **high-quality, high-yielding seeds** that enhance **farmers productivity and profitability**, making **Melyna Seeds** the preferred and trusted choice for farmers.

Our Promise to Farmers

To provide **authentic, high-quality, high-yielding seeds** that contribute to the **well-being, productivity, and prosperity** of farmers, while supporting sustainable growth and complementing their livelihoods.

Mr. K. Venkateswara Rao
Chairman

Mr. K. Venkateswara Rao (K. V. Rao) is a pioneer in **Hybrid Vegetable Seed Production**, bringing over **35 years of experience** in research, breeding, and seed production, with specialized expertise in **Chilli and Tomato**.

Over the course of his distinguished career, he has produced more than **200 tonnes of hybrid Chilli seed and 30 tonnes of hybrid Tomato seed and other Vegetable seed**, establishing a strong reputation for quality and consistency.

He has made a significant contribution to the **B2B hybrid Chilli seed market** across Andhra Pradesh and Telangana, with a customer base extending across multiple regions.

Mr. Rao began his career with **Unicorn Agrotech Limited**, later acquired by Advanta, where he served for **12 years as Production Manager**. His assignments across South India provided him with extensive expertise in hybrid seed production and field operations.

In **2003**, he founded his own seed production venture, driven by a vision to deliver reliable, high-quality hybrid seeds. Under his leadership, the company has developed R&D and seed production operations across **Karnataka, Maharashtra, and Chhattisgarh**.

A strong advocate of quality, he has championed **Grow-Out Testing (GOT)** as an integral part of seed quality assurance.

His leadership is founded on **integrity, dedication, discipline, and a relentless commitment to excellence**.

Mr. Rao holds a **Bachelor's Degree in Science with specialization in Horticulture** from Sri Venkateswara University, Andhra Pradesh and is an **NCC 'C' Certificate holder**.

As Chairman, he continues to provide the **vision, leadership, and strategic direction** that guide the company towards sustainable growth, innovation, and excellence in the seed industry.

Mr. K. Ramesh
Managing Director

Mr. K. Ramesh, Founder and Director of Melyna Seeds, has been instrumental in driving the company's Sales, Marketing, business strategy, and market expansion across India since its inception in 2017.

With over **21 years of professional experience in India and abroad**, he brings a strong combination of technology expertise, leadership experience, and a deep passion for agriculture.

Before entering the seed industry, Mr. Ramesh worked as a **Software Engineering Manager and holds a Master's degree in Computer Applications (MCA)**.

His professional career includes experience with prestigious technology organizations and institutions such as the **Indian Institute of Science (IISc), Bengaluru, Novell Software India Pvt. Ltd., VMware Software India Pvt. Ltd., and Cisco Systems India Pvt. Ltd., Bengaluru**.

His extensive experience in technology, engineering, R&D environments, team management, and global markets has helped shape his approach to innovation, process development, and organizational growth.

Driven by his passion for agriculture, he transitioned into the seed industry and co-founded Melyna Seeds with his brother, **Mr. K. V. Rao, Chairman**.

Since then, he has focused on understanding farmer requirements, seed technology, market dynamics, and effective marketing strategies to build farmer-centric solutions and services.

He actively promotes the integration of **technology, innovation, quality seeds, and digital solutions** to enhance services for farmers, distributors, dealers, and other agricultural stakeholders.

His leadership philosophy is rooted in **discipline, integrity, simplicity, continuous learning, and hard work**.

Through his strategic vision and hands-on leadership, Mr. Ramesh continues to contribute to the growth of Melyna Seeds and its mission of creating lasting value for farmers, employees, business partners, and the wider agricultural community.

CHILLI

F1 HYBRID CHILLI

Colour (Immature)	: Dark Green
